

BASKETBALL RULES AND PROCEDURES

RULES

All Federation rules will apply except where noted. A copy of Federation and District rules will be kept at the scorer's table.

EQUIPMENT

The school will furnish a game uniform; all other equipment will be furnished by the player.

NUMBER OF TEAMS

There will be two 8th and 9th grade teams from each school. Team selections cannot be made prior to the second day of practice. Every student turning out for basketball must be placed on a team and must **PLAY IN EVERY GAME OF THE REGULAR SEASON**. **Note:** This rule does not apply to the city tournament.

TOURNAMENTS

- A. A city tournament will be held for 8th and 9th grade boys and girls varsity basketball teams.
- B. Due to safety concerns and the liability factor, cutting down the nets at the conclusion of the championship game is not allowed.

SPECIFIC BOISE SCHOOLS BASKETBALL RULES FOR 8TH AND 9TH GRADE VARSITY TEAMS

1. Varsity teams will play first the second half of the league schedule.
2. Schools with 34 or more players are required to start the season with a minimum of 12 players on the varsity team. Schools with 33 or less players to start the season have the option of keeping a minimum of 10-12 players on the varsity team. Varsity team size may be adjusted with the permission of the District Athletic Director.
3. After the third game of the season the varsity coach, in conjunction with the Athletic Director and junior varsity coach, will have the option to bring up an additional player or to continue with 10 or 11 players.
4. Coaches of the first game should stay and help where needed during the second game.
5. Teams will be afforded a 13-minute warm-up time. Time may be reduced if both Head Coaches agree.
6. Every team member must play in every game. Failure to follow this procedure will result in a forfeit. In 8th grade only every team member must play in each half of every regular season game.
7. Home teams will supply balls for game and warm-ups.
8. The score clock will be the official scorer.
9. Schools with less than 24 players will split into two teams of equal numbers. If the number is odd the varsity coach will make the determination of team size. Team size shall not exceed 1 player more or less than the junior varsity team. Varsity team size maybe adjusted with the permission of the District Athletic Director.
10. In the event of a tie, league standings will be determined by head to head competition, top down, then a coin toss.
11. Varsity teams will abide by IHSAA rules pertaining to the mercy rule. The clock will run in the 4th quarter when one team leads by 30 or more points.

SPECIFIC BOISE SCHOOLS BASKETBALL RULES FOR 8TH AND 9TH GRADE JUNIOR VARSITY TEAMS

Federation rules will apply unless noted as stated below:

1. All players who do not make the varsity team will be allowed to play on junior varsity basketball teams.
2. Junior varsity basketball games will consist of eight five-minute periods. The clock will stop on all shooting violations, time-outs, and the last two minutes of the game.
3. Teams will shoot one and one on the seventh foul. The double bonus will be in affect after 10 team fouls.
4. In case of a tie, there will be a 2-minute overtime period, with normal clock. Full court pressure would be allowed during the entire overtime period for both 8th and 9th unless one team goes up by 10 or more points.
5. In case of a tie in the overtime period, there will be a sudden death play-off. The sudden death period will begin with a jump ball. The first team to score a two-point advantage will win.
6. In the 8th grade JV game, there will be no backcourt pressure except the last 60 seconds of the eighth period.
7. In the 9th grade JV game, full court pressure will be allowed until one team is ahead by 10 or more points. The team that is leading may not press. The team that is behind may press. If a team is warned twice, a technical violation will be called on the next infraction.
8. The score clock will be the official scorer.
9. Junior varsity teams may split into separate, but equal teams if there are 24 or more players. A junior varsity player may only play on one of the junior varsity teams.
10. In 8th grade JV, no one player may play more than one period more than any other player.
11. In 9th grade JV, players shall play a minimum of 1 period and no one player can play more than 2 periods more than any other player.
12. Coaches **should** emphasize the fundamentals of person to person defense.
13. Team in possession of ball at the end of a quarter remains in possession at the start of the next quarter/period. Use “possession arrow” to start 2nd half.
