Dear Parents,

Our teachers collected \$350.00 in the Scratch for Schools event held at Boise State University this month. This annual event affords every school in Idaho an opportunity to scratch lottery tickets over a given time period with the monies going back into education.

We celebrated Fire Prevention week with a visit from firefighter Keith Severance, firefighter Kirk Nesler, and Captain Mike Ingram. The students checked out the fire engine, had a lesson on fire safety, and discussed safety while Trick or Treating at Halloween. The students were also asked to give their parents the following homework assignment:

1. Check fire alarms in the house to ensure batteries are still working.
2. Develop a plan of escape in case of a fire.
3. Establish a meeting place in time of crisis.

We also kicked off the Girls Basketball season and the Chess Club this month. The ladies are developing their skills, learning teamwork, and having fun. The Chess Club meets every Wednesday in the Library from 3:15 PM to 4:00 PM except for next week due to Parent –Teacher conferences.

Parent-Teachers conferences are scheduled for Wednesday, November 4 from 3:20 PM to 8:00 PM and Thursday, November 5 from 8:00 AM to 8:00 PM. We are looking forward to a positive and productive conference. See you then.

Dr. Bell
