Have you always wondered who's the best baker at Hillside?

Are you in the mood to try something sweet?

Want to find out which is better: Mrs. Gordon's blueberry oatmeal cookies, Mrs. Walker's rice krispie treats, Mrs. Pierce's peanut butter cookies, Mrs. Fiderlick's ginger cookies, Mrs. Haynes's Marshmallow carmel krispie treats, Mr. Rausch's homemade cookies or his green experimental cookies or maybe Mrs. Ronan's bacon brownies.... yes, you heard it right, bacon brownies.

Well, you won't have to wait much longer, because this TODAY and Friday at break, lunch and after school, you'll have the chance to sample all of those delicious treats and many more at the FACULTY BAKE SALE!!

Don't forget to bring your change and vote for your favorites!

Students are expected to leave the building as soon as school is out unless you are meeting with a teacher or participating in a school-sponsored supervised activity. You are not allowed to hang out in the front foyer of the school, you may wait outside for your rides.

Applications for the 2010-2011 yearbook publication staff are now available. Staff positions are open to any student who will be in 8^t or 9th grade next year. We are

looking for students, who are able to work independently, can meet “real life” deadlines and who have demonstrated reliability, timeliness, creativity, and some expertise in writing. If you meet these requirements, and want to find out what photo-journalism is all about, please pick up an application from Mrs. McCormick in room 11.

Remember just registering for yearbook publication does not guarantee you a staff position. Applications are due by next Tuesday, March 23 so pick one up today!

See Mrs. McCormick with any questions.
