

Maple Grove PTA 2009-2010 Fundraising Events

Dominos Pizza Night

One night a month plan on saving some time, and making our school some money. Just take the coupon your child brings home to the Dominos Pizza on Maple Grove and 20% of you purchase price comes back to the school.

Box Tops

The box top program is one of the easiest ways of raising money for our school. Simply cut the box top coupons off the products that your family is already using and drop them in the collection box at the school. There

are two collection times a school year and our first one is fast approaching on October 31st with the second in February 2010.

Please bring in any box tops you have collected as soon as possible.

Encourage, family, friends and co-workers to clip too!!!

This is not the only way to raise money with this program!!!

Log onto boxtops4education.com where you can shop online and have up to 8% of your purchase price reimbursed to the school.

There many great stores participating, so check it out before you start your online Christmas shopping.

Also check the site for ways to earn extra box tops.
