

Owyhee-Harbor Elementary School  
2009-10  
Student Information Worksheet for Placement

Dear Parents,

Classroom placement at Owyhee is a team effort involving teachers, specialists, the principal, and parents. In an effort to provide the best education possible, our collaborative team will carefully consider a variety of factors including student abilities, special needs, the ratio of boys and girls, personalities of students and teachers, and students who need to be separated. **If you have specific input that will help us make an optimum placement for your child, please provide it in writing not later than Friday, May 8.** Feel free to use this form or provide information about your child's strengths and needs as well as any classroom characteristics that will help your child be most successful. **Requests for specific teachers and/or late requests will not be considered.**

Class lists are developed then revised several times during the summer months as we learn about new students or students who move away. Final class lists will be posted on the front door of the school about one week before school starts.
