Dear Boise School District Staff Member:

In order to help facilitate opportunities for you to receive the COVID-19 vaccine, please find the following COVID-19 vaccine providers, of which we are aware, and links to register to receive a COVID-19 vaccine:

- St. Luke’s Regional Medical Center
- Saint Alphonsus Regional Medical Center
- Primary Health
- Saltzer Health - Vanguard Way, Meridian location only

As we verify additional COVID-19 vaccine providers, we will notify you and post the information on our Staff COVID-19 Resources website.

Please be aware that demand for vaccines will continue to increase as additional groups are added. For those who wish to receive the vaccine, we encourage you to schedule an appointment as soon as possible.

Thank you for your service to our students.

Sincerely,

Boise School District Administration
