

BOISE SCHOOL DISTRICT
CLASS SPECIFICATION

ASSISTANT FOOD SERVICE MANAGER

Purpose of Class

Performs duties to ensure safe and nutritional food production; processes cash receipts, inventory and records; provides guidance to food service staff; performs related work as required.

Primary Function

The principal function of an employee in this class is to aid and assist in the management of a school food service site, including preparing and serving food; cleaning of food service areas; ordering and inventory of supplies; assembling menus and recipes; receiving, reconciling, and depositing cash receipts; assisting in preparing production sheets, food count and other required reports; and providing guidance to other food service staff. This position regularly performs tasks wherever needed to maintain effective and efficient food service operations. Assistant Food Service Managers are found at both cooking elementary and secondary school levels. The Assistant Food Service Manager will assume the duties and responsibilities of the Food Service Manager when that employee is absent. Work is conducted independently and performed under the general supervision of a Food Service Manager. The principal duties of this class are performed in a food service environment and dining area.
